MALAYSIAN TECHNICAL COOPERATION PROGRAMME (MTCP) SCHOLARSHIP

This scholarship is awarded under the Malaysian Technical Cooperation Programme.

The MTCP Scholarship for Post-Graduate Studies provides opportunities for interested candidates from developing countries to pursue advanced academic study in Malaysia. The scholars are expected to contribute in the national development of their respective countries.

The duration of the award is 36 months for PhD and between 12 to 24 months for Masters Programme.

General Condition Of Award

- Scholarship holders must undertake full-time studies for postgraduate studies at a campus of Malaysian Universities. It is the responsibility of the scholarship holders to confirm admission to the university.
- Scholarship holders must not change their programme during tenure of the scholarship.
- Scholarship holders must follow the approved programmes and abide by the university's rules, regulations and codes of conduct.
- Any suspension from the university will result in an immediate suspension of the award. Monthly allowances are not payable during suspension, including suspension due to illness.
- It is the responsibility of successful candidates to meet the requirements and to apply for an appropriate entry visa. The offer of the scholarship does not guarantee the granting of a visa.
- Scholarship holders must maintain satisfactory progress and good standing as stipulated by their host university and degree programme to avoid the withdrawal of the award.
- The scholarships are tenable in Malaysian universities and research must be carried out in Malaysia.
- Scholarship holders are not allowed to take any paid employment during their tenure.

Placement in Malaysian Universities

Application for admission to university in Malaysia is solely the candidate's responsibility. Interested applicants are advised to apply before the beginning of the academic year.

The scholarship award does not guarantee a placement in the university.
